OBSERVATION INFERENCE - Science with Mr. Jones

Observation and Inference - Is There a Gremlin in the Drink Machine? The following passage is the response by a first grade class after the teacher asked the students how a drink machine works Keep in mind that these are their observations and inferences that support their “Gremlin Model”

Meteor Series II - Tone King

The Gremlin gets much of its overdrive and distortion from the output stage When you are pushing it hard in the lead setting, it reaches maximum output early on, and simply becomes more saturated as you turn up the volume control This is how any non-master design works - tweed amps, etc The Gremlin is designed for rootsy, old-
